The whole day was taken up with voting. This morning we voted on Chapters 4 and 5 while in the afternoon there was Chapters 6, 10 and 11.

Before the vote the President of the Commission presents the more important amendments and the respective reasons. This is followed by interventions from the groups or from individuals. The most interesting part of the session is listening to the text of the Constitutions that is to be voted on. It is a beautiful treasure. The Spirit will win! It is not so tiring. But it takes patience.
